

Vestry

The Canons of the church give exclusive authority over the fiscal affairs of the parish to the vestry. But, vestry members are also spiritual leaders who are committed to building up the Body of Christ so that it can be an effective instrument of mission and ministry in the world. There are nine (9) vestry members and two (2) of the nine serve as Wardens. A vestry member is elected to a three (3) year term, and cannot be re-elected until after being off the Vestry for one (1) year.
