

## **Acolytes/Acolyte Mentor**

The ministry of assisting in worship goes as far back as the Old Testament: Samuel assisted Eli in worship and Elisha assisted Elijah. This tradition continued to the present day as the honored office of Acolyte. Acolytes serve clergy in celebrating the Holy Eucharist and other rites of the Church by working as torch bearers, flag bearers, crucifers, and altar servers. We welcome both adults and youth to this ministry at the 8:00 and 10:30 am services and on special occasions. Those called to this ministry should be willing to be prompt, attentive to detail and able to work as a team member.
