

## MEMORIAL PRO-AM GOLF TOURNAMENT

Each June, the Rich Jacobs Memorial Pro-AM Golf Tournament is held at Arrowhead Country Club. Professional golfers from the Grand Strand area compete with amateurs as well as among themselves in this PGA sanctioned tournament. Charities that benefit from this very popular event are The Helping Hands of Myrtle Beach, South Strand and North Strand, the Housing Shelter, Mobile Meals of North Strand and Teen Angel of North Myrtle Beach High School. Participating in this wonderful event gives area business's strong exposure to hundreds of church members, golfers, and fans as well as the great feeling of helping their neighbors who are in need. All money raised via the purchase of hole sponsorship signs and the sale of raffle tickets for the numerous items and gift certificates donated by local businesses stays right here on the Strand.

Many volunteers are needed to help solicit hole sponsorships and raffle prizes prior to the tournament and to help place signs, sell raffle tickets, prepare food, etc. the day of the tournament.
